## **Social Media Policy Statement**

### *Social Media Policy Statement*

*Brown Cup Event is a supportive place, and we will aim to take any necessary steps to support any member who is a victim of cyber bullying because of their participation and involvement.*

*We allow photographs and video to be taken for personal use. Please do not post it on-line in a manner that identifies the individuals involved unless you have express permission of their parents (in the case of U18 years) or the individual themselves. Images must not be posted online for commercial or financial benefit without written permission of the club and the individuals involved.*

*Brown Cup Sailing Event uses Facebook, Instagram, and Twitter to promote the activities we offer. Please familiarise yourself with the various options and ensure you are happy for your family to participate in these communication mediums.*

*Cameras and camera phones are not to be used in the changing area.*
